Inaugural McQueen scholarship awarded

UTICA — The first Marie C. McQueen Scholarship was awarded to St. Elizabeth College of Nursing senior Magdalena "Maggie" Wozny of Utica. The scholarship was made possible through the nonprofit American Family Foundation Inc. The scholarship was awarded to Wozny for her commitment to faith, compassion, volunteerism and courage in the face of adversity. McQueen died in June 2012 and her family remarked upon the compassionate care she received from the nurses and student nurses at St. Elizabeth Medical Center.
